

ATTENTION SOUTHEAST IDAHO TEACHERS

Want to go on a week-long field trip with
OTHER TEACHERS and GET PAID to do it?

Would you embrace
the opportunity to

**GET OUT,
REACH OUT,
& NETWORK**

to bring exciting, new
ideas to your
classroom?

Interested in discovering
new ways to
**CONNECT THE
ECOSYSTEM TO
YOUR CLASSROOM**
& engage your students with
interdisciplinary learning?

Want to have
FUN
while you do it?

Then SIGN UP for: MILES Adventure Learning Workshop

who:
**Middle and High
School Teachers**
from all disciplines in
the Portneuf and Snake
River watersheds

when:
JUNE 5-9
7:30 am - 4 pm

where:
**ISU, Pocatello
Campus**
Set out from there on
daily trips with provided
lunch & transportation

what:
A workshop with three learning
objectives:

1. EXPLORE

current MILES research and the
interdisciplinary approach used to
solve complex social-ecological
problems.

2. LEARN

tools and technology to collect
and share data in an engaging
way.

3. DEVELOP

individual plans to bring what you
learn to your classroom.

how:
Two ways to participate!
